Each family will be allowed to meet with their loved one in a designated outdoor area. **Social distancing of 6 feet must be maintained between the resident and visitor and a facemask must be worn at all times. Failure to comply with the social distancing requirements will result in elimination of visitation privileges** (please visit the Visitor Visitation link for more information on our outdoor visitation policy).

Please be advised that outdoor visitations cannot be accommodated on the weekends. Weekend visits are via the double glass doors only. Chestnut Hill continues to have video conferencing available via the following phone numbers: (973) 567-0978, (973) 650-8224 and (973) 567-0974.
